#### **Independent Auditors' Report**

To the Board of Directors of Dallas Ecological Foundation *d/b/*a Outdoors Tomorrow Foundation

We have audited the accompanying financial statements of Dallas Ecological d/b/a Outdoors Tomorrow Foundation (a Texas nonprofit Foundation) (the "Foundation"), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation on the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Dallas Ecological Foundation d/b/a Outdoors Tomorrow Foundation as of June 30, 2021 and 2020, and the changes in net assets, functional expenses, and its cash flows for the years then ended in accordance with the accounting principles generally accepted in the United States of America.

#### **Note 1 - Business Activity**

Dallas Ecological Foundation d/b/a Outdoors Tomorrow Foundation (the "Foundation") is a Texas nonprofit corporation incorporated on May 14, 1981. The Foundation's primary purpose is expanding youth outdoor education and furthering wildlife conservation efforts worldwide.

Effective August 24, 2016, Dallas Ecological Foundation elected to promote their mission statement and its outdoor adventure program under doing a business as name ("DBA"). The DBA is the Outdoors Tomorrow Foundation (OTF). The reasoning for operating under the DBA was to better reflect and market the geographical expansion of the Foundation.

The Foundation is supported primarily through contributions.

#### **Note 2 - Summary of Significant Accounting Policies**

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

#### Basis of Financial Statements Presentation and Accounting Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

For reporting purposes, resources are classified into two net asset categories according to the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Net assets without donor restrictions - net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions - net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time or subject to donor-imposed stipulations that are to be maintained permanently. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investments for general or specific purposes. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of cash receipts and disbursements – cash basis, as net assets are released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues of the net assets without donor restrictions. As of June 30, 2021, and 2020, there were net assets with donor restrictions of \$1,059,206 and \$1,062,935, respectively.

#### Newly Adopted Accounting Pronouncement

In May 2014, the FASB issued ASU No. 2014-19, Revenue Recognition (Topic 606): Revenue from Contracts with Customers. This ASU introduces a new five step revenue recognition model in which an entity should recognize revenue to depict the transfer of promised goods or services to

#### **Note 2 - Summary of Significant Accounting Policies (continued)**

#### Newly Adopted Accounting Pronouncement (continued)

customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The adoption of this accounting standard effective January 1, 2020 did not have a material impact on the Foundation's financial position or changes in its net assets. Contributions received are outside the scope of this standard.

#### Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization's cash and cash equivalents consist of cash on hand. The FDIC deposit insurance insures deposits and money markets up to \$250,000 per depositor, per insured bank for each ownership category. The Foundation has not incurred losses with respect to its cash.

#### Restricted Cash

The Foundation receives support from donors that is restricted as to withdrawal or use by the donors.

#### **Investments**

Investments consist of mutual funds, which are held for sale and are recorded at their current fair values. Securities that have been donated are recorded at the fair values as of the date of the gift.

#### Fair Value of Financial Instruments

FASB ASC Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides the fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowers priority to unobservable inputs (Level 3 measurements). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at June 30, 2021 and 2020.

Mutual funds: Valued at the closing price reported in an active market in which the security is traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Foundation

#### **Note 2 - Summary of Significant Accounting Policies (continued)**

#### Fair Value of Financial Instruments (continued)

believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The provisions of Topic ASC 820 did not have an impact on the Foundation's nonfinancial assets and nonfinancial liabilities that are not permitted or required to be measured at fair value on a recurring basis.

#### Contributions Receivable and Promise to Give

Contributions are recognized when a donor makes a promise to give to the Foundation that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as an increase in net assets with donor restrictions. When a restriction expires or is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Unconditional promises to give that are expected to be collected in more than one year are discounted to a net present value using an estimated discount factor for risk-free borrowing. For the years ended June 30, 2021 and 2020, discount to present values rates were 1.45% and 0.66%, respectively.

Contributions receivable and promises to give receivable are considered past due when payments are not made under the terms of the contribution agreement. There were no past due contributions receivable or promises to give receivable at June 30, 2020, and no provision was made for uncollectible receivables as of that date. Contributions receivable and promises to give receivable are considered uncollectible and written off to uncollectible bad debt when the donor withdraws the contribution commitment or fails to provide a reasonable revised schedule of contributions. For the years ended June 30, 2021 and 2020, promises to give receivable deemed uncollectible and written off were \$50,000 and \$88,444, respectively.

As of June 30, 2021, and 2020, contribution receivable had outstanding balances of \$56,303 and \$52,665, respectively while promises to give receivable net of discount, had outstanding balances of \$239,032 and \$310,848, respectively.

#### Donated Goods and Services

The Foundation receives a substantial amount of services donated by its volunteers in carrying out the Foundation's mission. In accordance with the generally accepted accounting principles, donated services are not recorded in these financial statements. Donated investments and other noncash donations are recorded as contributions at their fair values at the date of donation.

#### **Note 2 - Summary of Significant Accounting Policies (continued)**

#### Property and Equipment

Property and equipment are stated at cost when purchased or fair value at the date the equipment is donated, less accumulated depreciation. Major expenditures and those that substantially increase useful lives are capitalized. All equipment purchases in excess of \$500 and having a useful live of one year or more are capitalized. Maintenance, repairs, and replacements, which do not improve or extend the lives of the respective assets, are included in the statement of activities and changes in net assets. When property and equipment is sold or otherwise disposed of, the asset and related accumulated depreciation is removed, and any gain or loss is included in the statement of activities and changes in net assets. Depreciation has been computed using the straight-line method over the useful lives of the assets as follows:

Computer equipment 5 years Equipment 3–7 years

#### Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

#### Functional Allocation of Expenses

The costs of providing the Foundation's various programs, fundraising, and management and general have been summarized on a functional basis in the statement of activities. The statement of functional expenses present the natural classification detail of expenses by function. Certain costs have been allocated among the program, fundraising, and management and general categories based on the specific identification of costs or approximate percentage of time and other methods.

#### **Estimates**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. On an ongoing basis, management evaluates the estimates and assumptions based on new information. Management believes that the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from those estimates.

#### **Income Taxes**

The Foundation is a not-for-profit Foundation that is exempt from federal income tax under Section 501(a) of the Internal Revenue Code (IRC) of 1986, as amended, as an organization described in Section 501(c)(3) of the IRC. The Foundation has been classified as an organization

#### **Note 2 - Summary of Significant Accounting Policies (continued)**

#### Income Taxes (continued)

that is not a private foundation under IRC Section 509(a)(2), and as such, contributions to the Foundation qualify for deductions as charitable contributions. However, income generated from activities unrelated to the Foundation's exempt purpose is subject to tax under IRC Section 511, of which there is none. Accordingly, no provision or liability for federal or state income taxes has been included in the accompanying financial statements.

The Foundation is exempt from Texas state taxation for franchise tax and sales and use tax.

The Foundation's Federal Return of Foundation Exempt from Income Tax (Form 990) for 2017, 2018, and 2019 are open to examination by the IRS for a period of three years from the date the returns are filed.

#### Accounting for Uncertainty in Income Taxes

Management has concluded that any tax provisions that would not meet the more-likely-than-not criterion of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740-10, Accounting for Income Taxes, would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision of uncertain tax positions, and no related interest or penalties have been recorded in the statement of activities and changes in net assets or accrued in the statement of financial position.

#### Note 3 – Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date are Cash and cash equivalents of \$1,385,077.

#### Note 4 – Cash and Cash Equivalents

Cash and cash equivalents are composed of the following at June 30, 2021 and 2020:

	2021	2020
Cash	\$ 1,070,527	\$ 1,016,253
Restricted cash	378,675	369,107
Total cash, cash equivalents and restricted cash	\$ 1,449,202	\$ 1,385,360

#### **Note 5 – Endowments**

The Foundation has endowments that were pledged by donors to support the mission of the Foundation. As required by U.S. GAAP, net assets associated with endowment funds, including

#### **Note 5 – Endowments (continued)**

funds designated by the Foundation Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Foundation's endowment program consists of donor-restricted endowment funds and do not include any funds designated by the Board of Directors to functions as endowments. The endowment program is subject to the Texas Uniform Prudent Management of Institutional Funds Act (TUPMIFA).

The Foundation Board of Directors has interpreted the TUPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor restrictions to the contrary. The Foundation classifies the original value of gifts donated to the permanent endowment as well as accumulations to the permanent endowment made at the direction of the donor as net assets with donor restrictions. The remaining portion of the donor-restricted endowment fund that is not subject to permanent donor restrictions is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by TUPMIFA.

In accordance with TUPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment fund:

- (1) The duration and preservation of the fund
- (2) The purposes of the Foundation and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Foundation
- (7) The investment policy of the Foundation

Contributions and earnings	\$ - \$ _	Restrictions 454,475

#### **Note 5 – Endowments (continued)**

#### Return Objectives and Risk Parameters

The Foundation has adopted investment and spending policies for endowment assets that attempt to protect the related assets and provide a reasonable return until authorized use. The Foundation's investment philosophy is to invest in secure vehicles, obtain adequate return on investment and invest in vehicles which are compatible with purposes of the Foundation.

#### Strategies Employed for Achieving Objectives

To satisfy its long-term objectives, the Foundation relies on a strategy of asset diversification. On longer-term investments, the funds are normally placed with the Foundation in the investment pool except when the donor instrument defines another custodian.

#### Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or TUPMIFA requires the Foundation to retain as a fund perpetual duration. An aggregate deficiency did not exist at June 30, 2021 or 2020.

#### **Note 6 – Promises to Give Receivable**

Unconditional promises to give, consisting primarily of pledges, are summarized as follows at June 30, 2021 and 2020:

	2021	2020
Less than one year	\$ 69,400	\$ 69,800
One to five years	96,700	166,500

	\$ 239,032	\$ 310,848

#### **Note 7 – Restricted Investments**

Investments at June 30, 2021 and 2020 consisted of mutual and exchange traded funds in the amount of \$441,499 and \$382,981, respectively. Investment return for the year ended June 30, 2021 included interest, dividends, and unrealized gain/(loss) of \$60,069.

#### **Note 8 – Fair Value of Financial Instruments**

The following table sets forth by level, within the fair value hierarchy, the Foundation's assets at fair value as of June 30, 2021 and 2020:

				<u>Fair Value Measurements at Reporting Date Using:</u>					
				Quoted Prices in Active markets for Identical Assets/Liabilities		Significant Other Observable Inputs		Significant Unobservable Inputs	
June 30, 2021		<u>Fair</u> <u>Value</u>		(Level 1)		(Level 2)		(Level 3)	
Mutual and exchange traded funds	\$	441,499	\$	441,499	\$	-	\$	-	
June 30, 2020 Mutual and exchange traded funds	¢	202.001	¢	292.001	¢		¢		
traded funds	\$	382,981	Э	382,981	\$	-	\$	-	

#### Note 9 – Prepaid Expense

Prepaid expenses are composed of the following at June 30, 2021 and 2020:

	2021	2020
Prepaid expenses	\$ 3,219	\$ 6,153
Deposits	5,000	-
	\$ 8,219	\$ 6,153

#### Note 10 – Fixed Assets

Fixed assets are composed of the following at June 30, 2021 and 2020:

	2021	2020
Camping equipment	\$ 8,811	\$ 8,811
Computer equipment	6,233	6,233
Less accumulated depreciation	(14,422)	(13,204)
	\$ 622	\$ 1,840

Depreciation expense for June 30, 2021 and 2020 was \$1,218 and \$1,218.

#### Note 11 – Notes Payable

On April 12, 2020, the Foundation received loan proceeds in the amount of \$52,082 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying entities for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying entity. The loan and accrued interest are forgivable after eight weeks or alternative covered period of twenty-four weeks as long as the borrow uses the proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of forgiveness will be reduced if the borrower terminates employees or reduces salaries during the covered period.

The Foundation used the proceeds for purposes consistent with the PPP. The Foundation applied for and met the conditions for forgiveness of the loan which was granted on January 7, 2021.

**Note 12 – Net Assets with Donor Restrictions** 

Net assets with donor restrictions at June 30, 2021 and 2020, consisted of the following:

	2021	2020	
<b>Purpose Restrictions</b>			
GS	\$ 8,999	\$ 54,558	
Collin County Youth	26,236	29,134

<b>Time Restrictions</b>			
Pledges receivable	20,200		37,050
	\$ 184,431	\$	435,456

#### **Note 13– Concentrations**

Significant concentrations are those that exceed more than 10% of revenues received for the year. There were no donors that met the reporting threshold for significant donors requiring disclosure as a concentration for the year ending June 30, 2021.

#### **Note 14 – COVID-19**

The COVID-19 pandemic sweeping across the country has resulted in mandatory closure of many businesses resulting in layoffs of much of the workforce. The economic effects of those closures are not yet known but could potentially affect the Foundation.

## **Note 15 – Subsequent Events**

The Foundation has evaluated subsequent events through September 20, 2021, the date the financial statements were available to be issued.
