Outdoors Tomorrow Foundation is a 501c3 public nonprofit, EIN 75-1761481.

Partnership Initiative

The mission of the Outdoors Tomorrow Foundation is to teach outdoor education and to promote and fund conservation of wildlife worldwide.

This is accomplished through the Outdoor Adventures K-12 outdoor education curriculum which impacts 145,000+ students annually in 1,400+ public and private schools across all 50 states and Canada, thanks to the support of like-minded organizations and outdoor industry partners.

By joining our Partnership Initiative you help us get more kids outside!

Impact of Outdoor Adventures

- 640,000+ Outdoor Adventures graduates since 2009.
- 145,000+ new students every year have the opportunity to earn their hunter education certificate, learn first aid, catch their first fish, compete in archery, and learn how wildlife conservation works.
- Thousands of kids annually catching their first fish or going on their first hunt.
- 22.5 million outdoor education classroom hours annually.
- Competitive archery, fishing, and shooting teams develop as a direct result of OA classes.
- Creating tomorrow's outdoor industry professionals, recreationists, and conservationists.

Features of Outdoor Adventures

- 40 customizable units with complete lesson plans and remote learning options.
- Fully accredited to be taught in any elementary, middle, or high school.
- Completely updated every three years.
- ALL kids can participate. The curriculum is adaptable to students with any type of disability.
- Proven to improve student:
 - academic achievement
 - attendance
 - behavior and confidence
 - personal wellness
